TEMPORARY SPECIAL CIRCUMSTANCE PARKING PERMIT

By completing this form, I understand I do not qualify for an Annual Parking Permit, however, I require more than the allotted 30-days in a calendar year for a Temporary Parking Permit. Therefore, I am requesting a Temporary Parking Permit under "Special Circumstances," which I have described on the reverse side of this form. **I understand that this permit is for a temporary special circumstance and will be issued one time only. I also understand I am required to park the permitted vehicle in front of my own home unless the street configuration makes such parking impractical.**
