Simple Vehicle Burglary Prevention Tips:

- Always roll up the windows and lock the car, even if it's in front of your home.
- Never leave valuables in plain view, even if your car is locked. Put them in the trunk or at least out of sight.
- Remove portable electronic devices such as smart phones and GPS navigation systems, including suction cup or bean bag type mounts. (Even the visible appearance of a suction cup ring on the glass windshield can be an enticement to a thief to break in and look for the GPS system.)
- Park in busy, well-lighted area.
- When you pay to park in a lot or garage, leave just the ignition or valet key with the attendant. Make sure no personal information is attached. Do the same when you take your car for repairs.
- Don't use "hide-a-keys". Thieves know the best places to hide those. But remember, just "locking" isn't enough. Keep your car OFF the target list of the thieves by keeping all hints of valuables totally out of sight. If they see something tempting, they certainly **can** break in.

If you see suspicious person(s) or activity in your neighborhood or business, call Cerritos Sheriff's Station at (562) 860-0044 or 911 immediately. It's a good idea to keep the Sheriff's Station phone number stored in your cell phone for quick reference.

Criminals are deterred by informed, vigilant, and involved citizens. Remember - see something, say something.
